

July 7, 2023

Dear Patients and Partners of Crownview Medical Group,

We are writing to announce that we will be closing our Carlsbad location at 2892 Jefferson Street *effective August 5, 2023*.

We will be transferring all operations to our Coronado location which will include the practice of Christina Lam, PMHNP. We will do our best to accommodate anyone who wishes to transfer their care to another practice in the Carlsbad area. Please call our office and we can provide some local area behavioral health providers.

While we are regretful that we will no longer have a physical presence in the Carlsbad area, we are confident that we will be able to accommodate most of our patients' needs from our Coronado location. Our goal is to navigate this transition as smoothly as possible. We appreciate your understanding and patience during this time.

Feel free to reach out to our staff should you have any questions or concerns about this process and we will be happy to speak with you. Here is our contact information:

Crownview Medical Group, Inc.
158 C Avenue
Coronado, CA 92118
Ph 619.435.5400 Fx 619.435.5401

Thank you for entrusting us with your mental health care. We hope to continue doing so for years to come.

Sincerely,

Mark Melden, D.O.
President/CEO
